Valentine's Day parties are rescheduled for Monday, February 22nd at 2:00. If we end up dismissing early due to the weather, we will have the parties before we go home. If we are off on Monday, we will have the parties on the next day we come to school.

Message from the MPS office:

Due to not being able to handle any overflow parking with snow, only the parents that are actually helping to put on the party should attend and car pooling is strongly encouraged if possible.
