Here is what we are doing in second grade..☺

Language Arts:

Classes are reading to be informed. We are reading non-fiction texts about space. Students are using text/print features to help them comprehend what they are reading. They are also answering questions to show comprehension. Next week we will continue to read non-fiction texts about space.

Word Study:

This week we worked on words with the long /o/ sound. Next week we will work on the different sounds of Y.

Math:

Classes are working on addition and subtraction with and without regrouping in a word problem. We are learning how to identify important information in a word problem, how to decide whether to add or subtract and then doing the problem.

Handwriting:

We are continuing to learn lower case letters. We average 3-4 letters a week. Wednesday's homework is a review of letters we have already learned and practiced in class.

Grammar:

This week we are reviewing nouns, verbs, and adjectives. Next week we will learn about pronouns.

Science:

We have started the space unit. This week classes are learning about the sun and other stars. Next week we will learn about the moon.

Important dates:

Tuesday, February 2nd- Report cards come home

Thursday, February 11th-
Valentine's Party at 2:00
*(information coming home
next week)*

Monday, February 15th - No School for Presidents' Day
